Utilities

WATER	Water usage data is recorded and billed using MeterNet. Each resident's bill is calculated based on their individual consumption. To sign up for water billing, please complete the MeterNet registration form of the residents' portal and then send a picture of your water meter's serial number to customerservice@meternetusa.com .
TRASH	To start service with Texas Pride Disposal, please contact stephanie@texaspridedisposal.com . Homeowners are required to pay a one-time fee for a trash bin and a quarterly fee for trash service. Trash service will not begin until the homeowner sets up new service directly with Texas Pride. For additional information about the Sticker System, please visit their website: www.texaspridedisposal.com/stickersystem.html .
POST OFFICE	3030 W. Fuqua Street, Houston, Texas 77045 (Bring copy of HUD statement & picture ID)

Antigua Paint Color Information

Ceiling & Walls Paint

Shark Sherwin-Williams
Flat Painters Edge®

Trim Paint

Shark Sherwin-Williams
SOLO™ Semigloss

*Please note that paint color matching may not always be exact due to various factors, including but not limited, to surface cleanliness, paint age, exposure to UV light from natural sunlight, application technique, and weather conditions. For the best results, we recommend purchasing paint directly from an authorized PPG or Sherwin-Williams store, as color consistency is more reliably maintained. In some cases, repainting the entire wall area may be necessary to achieve a uniform appearance.

**Paint colors shown are for reference only and may vary slightly depending on screen resolution. These samples are intended for visual guidance and not as exact matches.
