Alicante Paint Color Information

Ceiling & Walls Paint

Shark Sherwin-Williams

Flat Painters Edge®

Trim Paint

Shark Sherwin-Williams

SOLO™ Semigloss

*Please note that paint color matching may not always be exact due to various factors, including but not limited, to surface cleanliness, paint age, exposure to UV light from natural sunlight, application technique, and weather conditions. For the best results, we recommend purchasing paint directly from an authorized PPG or Sherwin-Williams store, as color consistency is more reliably maintained. In some cases, repainting the entire wall area may be necessary to achieve a uniform appearance.

**Paint colors shown are for reference only and may vary slightly depending on screen resolution. These samples are intended for visual guidance and not as exact matches.
